ABOUT THE HOME

Welcome to 22 Carwin Crescent, a move-in ready 3+1 bedroom bungalow on an impressive 73-foot-wide lot backing onto a ravine in the highly sought-after Pickering Village community of Central West Ajax. Lovingly owned by the same family since it was built 55 years ago, this home is ready for its next chapter. A large foyer with coat closet and luxury vinyl tile flooring leads into the updated eat-in kitchen featuring quartz counters, new stainless steel appliances and plenty of workspace. Newly refinished hardwood flooring flows throughout the main level, including the bright and spacious combined living and dining room filled with natural light. At the back of the home are three generously sized bedrooms and a newly renovated 4-piece bathroom, with sliding door access from one bedroom to the deck and private backyard with brand new sod. An enclosed garden room off the deck offers a perfect hobby space or additional storage. A separate side entrance leads to the finished basement featuring a fourth bedroom, spacious recreation room with brand new broadloom, laundry/utility room and a second full bathroom complete with shower and sauna. Outside, enjoy a 2-car garage plus a newly paved private driveway with parking for four cars. Additional updates include a new roof completed last year, brand new electrical panel, new air conditioner unit and an owned tankless hot water heater. This is a wonderful opportunity to move into an established Pickering Village neighbourhood and make this lovingly maintained home your own.
